

Gadsby Power Plant field trip

ECE 3600

The first field trip will be a visit to the Gadsby Power Plant at 1400 W. North Temple, south of the RMP office building. Look for the smoke stacks. If you take Trax, the green Trax line goes down North Temple, exit at the Fairpark or Power Plant stops.

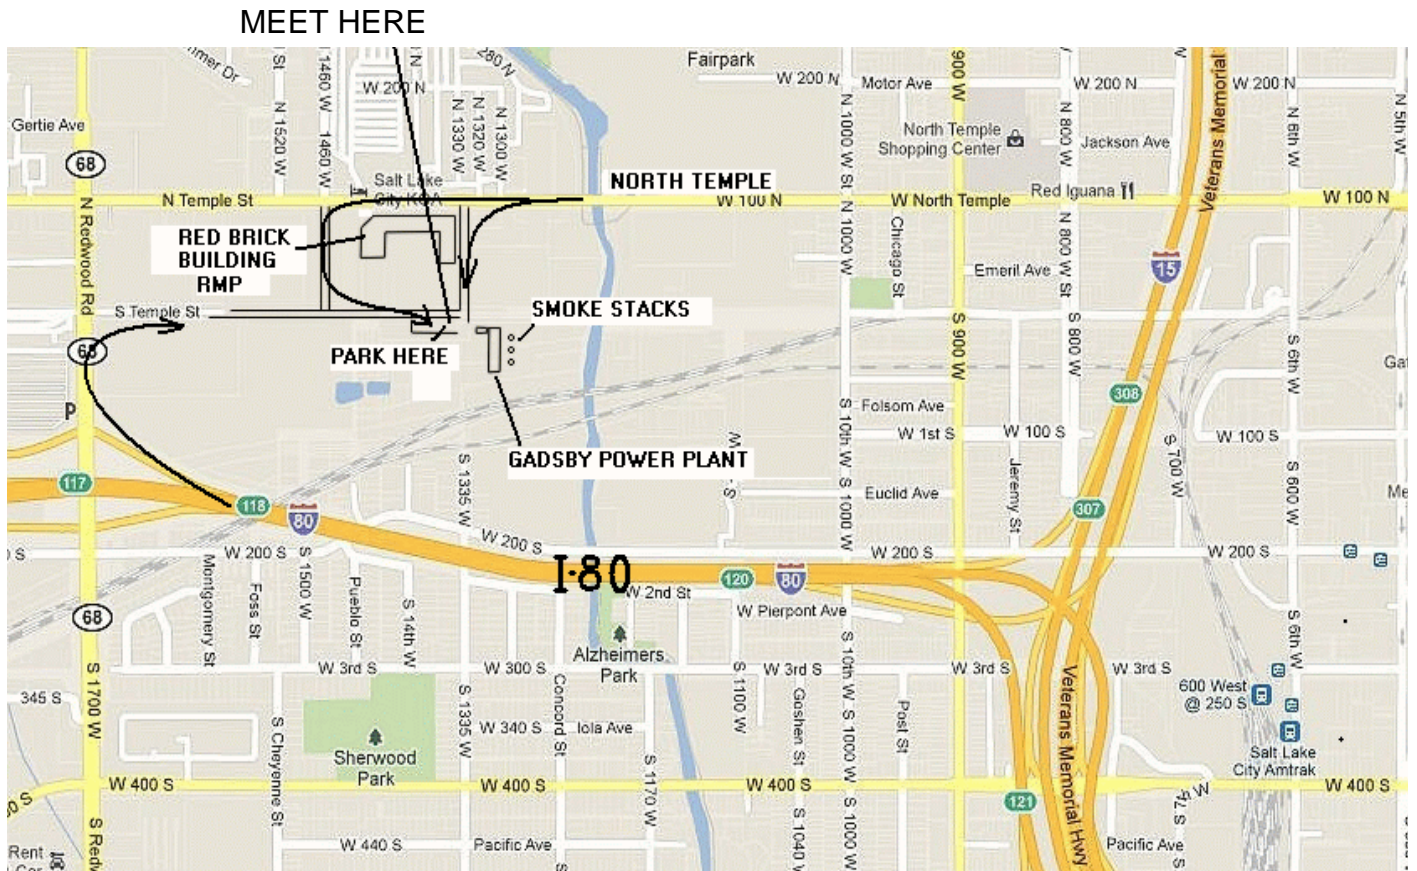

We will meet at the power plant at about:
12:20 pm on Friday, 1/24/25

OR (Circle one)

3:20 pm on Friday, 2/7/25
The field trip will begin shortly thereafter.

Car pool info _____

A power plant is a noisy, hot, dirty, industrial setting where many of the floors and stairs are made of open, steel grating. Wear long pants and sturdy shoes (steel toe if you have them). **NO SHORTS, FLIP FLOPS or SANDALS!!** Although they will be provided, you may wish to bring your own hard hat, safety glasses, and/or hearing protection.
